

MAGNUS JOHNSON ON FARMER-LABOR VOTE

ISSUES STATEMENT SAYING THE PARTY IS STILL ALIVE

DENIES THAT THE PARTY IS DUE FOR AN EARLY DEMISE

SAYS THEY TOOK REPUBLICAN BALLOTS AND VOTED FOR LEACH

St. Paul, June 23.—(UP)—Former United States Senator Magnus Johnson who has been nominated for governor on the farmer-labor ticket, issued a statement today declaring that the "farmer-labor party is still alive."

Johnson's statement was prompted by publication of analysis of the vote in Monday's primaries which indicated that the surprising low vote polled by the party indicated its approaching demise in Minnesota. The party's total was less than 150,000, compared with 400,000 republican votes.

"The party hasn't lost its voters," Johnson said. "They just called for republican ballots and took a hand in that party's contest. That's where Mayor George E. Leach of Minneapolis got what little strength he had against Governor Theodore Christianson. But the voters haven't deserted the farmer-labor party. They'll be back on the reservation this fall."

Meanwhile, almost complete, unofficial returns from over the state indicated that Governor Christianson won over Leach by 155,000 to 160,000 votes and that Johnson defeated Tom Davis by about 9,500 votes.

The latter returns failed to reverse the results in state and congressional races, indicated by earlier compilations.

PRES. COOLIDGE IN APPOINTMENTS

Washington, June 23.—(UP)—President Coolidge today sent to the senate the following nominations:

To be members of the United States tariff commission:

Sherman J. Lowell, succeeding A. H. Baldwin, resigned; Edgar Bernard Brossard of Utah, reappointment.

To be Register of Land Office John Widlon at Pierre, S. D. reappointment.

GOVERNOR NAMES MUNICIPAL JUDGE

St. Paul, June 23.—(UP)—Governor Theodore Christianson today appointed George H. Trask to be municipal judge of Chisholm. Trask succeeds John H. McNiven, who was appointed as a member of the state tax commission. McNiven qualified for the position Tuesday.

Mussolini's Daughter to Wed Crown Prince Humbert of Italy

London, June 23.—(UP)—An unconfirmed dispatch to the Daily Herald from Chicago, Italy, said Premier Mussolini of Italy plans to arrange the marriage of his daughter, Edda, to Crown Prince Humbert of Italy.

Edda now is in a fashionable boarding school in Florence, in which the daughters of royalty and nobility have been educated for many years.

MANY WOMEN VOTED AT FERGUS FALLS

Fergus Falls, Minn., June 23.—(UP)—A feature of the voting in the primary election here was the large number of women who went to the polls. Their ballots made the vote in Ottertall county the heaviest ever cast. The \$125,000 bond issue proposal for a new city hall, responsible for the interest, was defeated 3 to 1.

MEMORIAL LOG CABIN PLANNED

Willmar, Minn., June 23.—(UP)—A memorial log cabin is to be erected at the Kandiyohi county fair grounds to be headquarters for the Kandiyohi County Old Settlers association. The cabin will be made from hewn logs and as near as possible will be a duplicate of the homes of Minnesota pioneers. Antiques cherished by members of the association will furnish the cabin.

Democrats in Threat of Renewed Tax Reduction

PREDICTS AIR SERVICE VIA NORTH POLE

New York, June 23.—(UP)—Airplane service from Spitzbergen to Alaska via the north pole within 30 years was predicted today by Lieutenant Commander Richard E. Byrd, who, with Floyd Bennett, his pilot, arrived after their successful flight to the top of the earth.

Byrd said that success of such a service would be dependent largely on the development of the multi-motored airplane.

MAGNUS JOHNSON IN STATEMENT ON CAMPAIGN COST

ADMITTED THAT RECENT POLITICAL AFFAIR COST LESS THAN \$2,000

INCLUDED ALL EXPENSES INCIDENTAL TO HIS NOMINATION

Minneapolis, June 23.—(UP)—No investigating committee is going to make a hullabaloo about the campaign expenditures of Magnus Johnson.

Nominated for governor on the farmer-labor ticket, Magnus admitted today that his campaign had cost him less than \$2,000, including all expenses incidental to his nomination.

"And I'm broke too," said Magnus. "It took all the money I had to make the race and I'm even behind a little bit, but I'm going on a speaking tour this summer and then I'll be all right. Anyhow it shows that elections can be won without money."

When his victory over Tom Davis of Minneapolis became certain without a doubt Tuesday evening, Magnus went out with "the boys" and drank two malted milks, one right after the other.

That was his way of celebrating. The boys were several of his friends and advisers who are convinced his nomination means victory in the fall election.

"I've got to thank my former friends of Minnesota, of course," Magnus told the United Press, "but I've also got to thank my wife. When I've had political success, she's the one who has helped me because she has kept me on the right track. Sure, I take her advice. It has helped me."

Magnus remarked with a touch of pride that Mrs. Johnson is related to Mrs. Calvin Coolidge. Both are Putnams, he said, descended from a common ancestor of that name and who came over on the Mayflower.

Recalling the many times he has held office, at one time he occupied 11 at the same time, justice of the peace, member of the school board and other positions, Magnus discussed his comeback in the farmer-labor party and epitomized the reason:

"I've given the people a square deal."

Returns from all except a few scattered precincts gave Magnus a lead of 9,000 today over Davis.

In the republican race, Governor Theodore Christianson's estimated majority over Mayor George E. Leach of Minneapolis for the republican nomination for governor was 145,000.

JURY CALLS IT JUSTIFIABLE HOMICIDE

St. Paul, June 23.—(UP)—A verdict of justifiable homicide was returned yesterday by the coroner's jury that investigated the killing of Matthew Smith by Thomas (Curly) Burns in a brawl.

The verdict was returned in quick time after Burns had testified that Smith came to his home drunk and armed with a shot gun. Fearing for his life, Burns said he shot Smith. Other testimony concerned Smith's quarrelsome disposition.

Smith, it was declared, had accused Burns of not returning a borrowed gun, and renewed the argument a couple of days later, going after the shotgun and returning. He was alleged to have fired the first shot.

FARM BLOC AMENDS FARM RELIEF BILL

DAWES-McNARY-HAUGEN MEASURE TO VOTE TO-MORROW

BLOC HOPES TO GATHER ADDITIONAL VOTING STRENGTH

By JULIAN SNYDER (United Press Staff Correspondent) Washington, June 23.—Senators from the agricultural west today made final efforts to obtain passage of the Dawes-McNary-Haugen farm relief bill, which, under unanimous consent agreement, is expected to be brought to a vote shortly after 1 P. M. tomorrow.

Hoping to gather additional votes the farm bloc has amended the bill, reducing the equalization fund from \$250,000,000 to \$150,000,000. Under another amendment to be proposed today, cotton producers will be assured \$75,000,000, if necessary, to carry out the system provided for the marketing of surplus crops.

Still another amendment already adopted, eliminates cattle from the bill, leaving cotton, corn, wheat and hogs as the agricultural commodities affected by the measure.

TOO MUCH PUBLICITY GIVEN TO INVESTIGATION

FUTURE COURSE OF THE SENATE PROBE OF PRIMARY CAMPAIGN EXPENSES GUARDED

CHAIRMAN REED TO PUT QUIET US ON GIVING OUT NAMES OF WITNESSES

By PAUL R. MALLON (United Press Staff Correspondent)

Washington, June 23.—The future course of the senate committee's investigation into the \$3,000,000 Pennsylvania primary will be carefully guarded because of recently discouraging results of too much publicity.

Chairman Reed announced today that names of witnesses to be summoned hereafter will not be divulged until the process servers have found them and served papers for their appearance.

His action was taken after the committee had been advised that the servers were unable to locate Thomas W. Cunningham, treasurer of the republican Pennsylvania state committee, and Francis X. O'Connor, magistrate in Philadelphia, who are wanted for vital testimony.

Reed said three or four additional subpoenas were issued for new witnesses, but declined to make public their names.

The witnesses were understood to have been called on the basis of letters and telegrams from private citizens purporting to tell what evidence the witnesses would give. Members of the committee have received hundreds of tips on who could furnish information concerning alleged deals in the primary.

AIM TO SEND RUSSELL SCOTT TO THE GALLOWS

Chicago, June 23.—(UP)—The fight to send Russell Scott, convicted murderer, who has three times escaped the death penalty to the gallows will be resumed in criminal court here today.

Eleven jurors already have been selected for the sanity jury which will decide whether Scott is sane and should hang for the murder of Joseph Maurer, a drug clerk, or is insane and should go to the Southern Illinois hospital for criminally insane. It is expected that the jury will be completed and testimony started today.

Scott recently was returned from Chicago from the Southern Illinois sanitarium after a sanity commission had decided that he was sane and should hang for the Maurer murder. The court, however, ruled that a sanity jury should decide on Scott's sanity.

WANTED LONG SLEEP AND TOOK 2 DAYS, 2 NIGHTS

Litchfield, Minn., June 23.—(UP)—Authorities arrested a man they found sleeping beside the road between Grove City and Litchfield. They arrested him because they were unable to awake him. But when he was brought into court a few shouts caused him to blink his eyes and plead that he was sleepy having walked 50 miles in one day.

Authorities gave him a bed in the county jail and he slept for two days and two nights before awakening.

BOY PROBLEM TO BE SOLVED BY RELIGION

JOSEPH SCOTT SPEAKER AT OPEN AIR SESSION EUCCHARISTIC CONGRESS

SPEAKER IS ONE OF THE OUTSTANDING LAYMEN IN THE CATHOLIC CHURCH

By J. L. O'SULLIVAN (United Press Staff Correspondent) Soldiers' Field, Chicago, June 23.—Youth of America needs to be brought to a realization of Christ's presence in the Holy Eucharist as a solution of the "Boy Problem" of the country, Joseph Scott, of San Francisco, told the third day's open air session of the Eucharistic Congress here today.

Scott, one of the outstanding laymen in the Catholic church, spoke before a crowd of 150,000, composed largely of high school, academy and university students.

While all the seating room in the stadium was taken when the ceremonies opened, none of the great throng which was standing in the aisles and filled the field between the outdoor cathedral and the altar on the previous two days was present.

The sun beat down hot though there was a slightly smoky haze in the sky. A slight breeze came off Lake Michigan.

Another colorful picture was presented in the stadium by the variety of costumes worn by the students in the choir.

Distinguishing costumes were worn by the students from various schools. The girls were gown in white, but those from one school wore large cardinal red hats, while another wore white hats and another wore the academic cap and with an academic gown over their white dresses.

Many of the boys wore cassock and surplice, the garb of the acolyte. They wore skull caps bearing the color of their school. The whole field presented the picture of many colors. Several of the schools brought their own bands with them and paraded on the field with a band master twirling his baton.

The students of the famous St. Nel's high of the Chicago west side, marched in 800 strong and received a big hand.

Following their arrival Cardinal Cernoch delivered an address in his native tongue.

The ceremonies opened with flag-raising and singing of the Star Spangled Banner by the crowd. A band playing a sprightly march led the procession of clergy on the field.

This was the first day that the clergy had been able to carry out their procession completely as planned, without interruption by the crowd. While the stands were practically filled, none was standing and the aisles were free for the procession.

Those in the stands took great delight in picking out their own particular clergymen, bishops or archbishops, and in giving them a hand.

The solution of the boy problem, the revolt of youth, is to bring back into their hearts the consciousness of the real Presence, the belief of Catholics that Jesus Christ is actually present on the altars of their churches under the appearance of bread, Joseph Scott of San Francisco said in his address.

The devout belief in the Eucharist will bring a better understanding to both fathers and sons, Scott said.

"The world, tired and weary with wars and rumors of wars, is seeking in vain for a solution of the difficulties that confront national life. In vain men cry peace, but there is no

CAILLAUX NOW FINANCE HEAD OF THE FRENCH

JOB IS TO PREVENT NATIONAL BANKRUPTCY OF THE REPUBLIC

PREMIER BRIAND MAKES 10TH FORMATION OF MINISTRY

By A. L. BRADFORD (United Press Staff Correspondent) Paris, June 23.—Joseph Caillaux, convicted of trafficking with the enemy during the war and the man, who, last autumn, failed in his effort to fund the \$4,200,000,000 French debt to the United States, today accepted the job of preventing national bankruptcy.

Caillaux accepted the ministry of finance in Aristide Briand's proposed cabinet after twice refusing to participate in the cabinet. It is understood that Briand was prepared for defeat in his effort to form a 10th ministry, when Caillaux arrived at the foreign office for one more conference with the premier-designate.

"I want all the power," Caillaux said, after announcing his acceptance, "but I see no difficulty in sharing power with M. Briand."

With Caillaux's acceptance Briand announced that he would have the new cabinet completed by tonight.

THREE BANDITS ROB RESTAURANT

STOLE \$145 AND WERE PURSUED A MILE, OUTDISTANCING PURSUERS

St. Paul, June 23.—(UP)—Three bandits who robbed a restaurant of \$145 early today were pursued for a mile before they outdistanced their pursuers.

The three were armed and wore white handkerchiefs over their faces. After lining up the three persons in the restaurant, one slapped the face of Allen Bozell, a customer, for no apparent reason. Then they fled in an automobile.

The victims gave chase and were joined by a police gun squad, but the bandits escaped.

KELLY TO BE QUESTIONED BY THE POLICE

Minneapolis, June 23.—(UP)—After permitting him to attend funeral services for his little daughter, Minneapolis police will question T. B. Kelly, musician, today regarding the motive that would prompt his wife to kill the child by chloroforming her.

Kelly arrived here early today from Manhattan, Kansas, whence he is declared to have fled because of financial worries.

The funeral for the daughter Kathleen is to be held this afternoon.

Mrs. Kelly, who is recovering from her attempt at suicide, has told police that she was driven to the act after her husband had failed to keep an appointment with her. She said she did not want to leave her daughter alone in the world so gave her chloroform.

lasting peace, except the peace of Christ in the adorable Sacrament, a peace that passeth understanding," he said.

He declared there was a need for concentration upon spiritual life.

"We are living in an epoch of the world when the love of pleasure and ease and luxury dominates the soul of man, particularly in these United States of America. It is not merely a mania among the youth, but it has infested the older folks. We shrink from pain and suffering with all the cowardice of the flesh, but we likewise are prone to be spiritually atrophied, to grow soft and frail and to avoid the stern responsibilities that go with sacrifice and service," he said.

As relief from this Scott said "We must grip to our hearts the sentiments of our Savior: 'He that would follow, come after Me, let him deny himself and take up his cross and follow me'."

HAILSTORM SO SEVERE THAT IT KILLED CHICKENS

Fairmont, Minn., June 23.—(UP)—A 15-minute hailstorm over an area of 12 square miles in Nashville township yesterday destroyed crops. Corn and grain suffered heaviest. The force of the hail was such that it killed even chickens.

EVANGELIST CLAIMS BEING KIDNAPED

AIMEE SEMPLE McPHERSON IS BROUGHT TO ARIZONA FROM MEXICO

NOW IN HOSPITAL AT DOUGLAS, ARIZONA, RECOVERING FROM EXPERIENCE

Douglas, Ariz., June 23.—(UP)—Missing since May 18, when she was reported drowned in the surf at Ocean Park, Calif., Aimee Semple McPherson, noted Los Angeles evangelist, was brought to the Calumet & Arizona hospital here today from Mexico, where, according to her own dramatic story, she had been held captive by American kidnapers.

Picked up exhausted by the roadside near Agua Prieta, Mexico, Mrs. McPherson arrived here in custody of Mexican policemen and was placed in charge of hospital authorities. The woman told a vivid story of kidnapping at the beach and subsequently slavery in the hands of Mexicans across the border.

"I was taken from the water on a pretext," she said. "A woman came to me and said, 'Sister, mother wants you to go and see a sick child.'"

"I had just been in the water and was a bit chilly. A wrap was placed around my shoulders and I was hurried to a waiting automobile. The last I remembered for many hours was being dumped rudely into the car and dope placed over my mouth and nostrils."

The woman was quoted as saying she had been carried across the American line at Mexia.

Traveling through Lower California and into Sonora, she said she escaped from her captors, a man named Steve and a woman named Rose, she declared.

She made her way painfully on foot over the burning Sonora sand dunes to Agua Prieta, just across the border line from here. There she told her story and was brought here this morning by Americans.

The evangelist said she was kidnapped at the Southern California beach by two men and a woman, all Americans, bound and gagged and transported to a Mexican adobe house in the desert. She made a long trip overland, she said, by way of Mexicali, and finally to Sonora, where she escaped yesterday.

"I cannot give all details of what has happened," she said. "I was kept tied up and gagged most of the time and I don't know exactly what route was taken by my captors. It is like a bad dream but I know that the Lord was with me, as He has always been."

"As the world knows, I went to Ocean Park with my secretary, Miss Emma Shaffer, to go in bathing. I was happy, gloriously so, for everything was going well at the temple."

"My secretary, Miss Shaffer, went to the Ocean View hotel, to telephone. While she was away a woman came to me and said she wanted me to go and see a very sick child."

"Responding to the call of the Lord, as I have always done, I followed the woman, who put a wrap over my shoulders and hurried me to an automobile. The next thing I knew, we were rushing away in the car and a towel was placed over my nostrils. Then all was oblivion. There were two men and a woman in the car, all Americans."

"Just what time elapsed I do not know. My next memory is of being held captive in an adobe hut in Sonora and I was told I was being held for ransom."

Mrs. McPherson said she escaped from her captors about noon yesterday. The men had left her in charge of the woman and while the latter was gathering firewood, Mrs. McPherson broke the rope which bound her wrists and ran away. "I walked for hours and hours, but I seemed to receive strength from the Lord as I always have done."

ALSO REBATE ON PAYMENTS PRESENT TAXES

SEEK ABOLITION OF AUTOMOBILE, AMUSEMENT AND NUISANCE TAXES

RESOLUTION TO SUCH EFFECT TO BE INTRODUCED TODAY IN HOUSE

By HERBERT LITTLE (United Press Staff Correspondent) Washington, June 23.—A move to force an immediate tax reduction including a rebate on this year's payment and abolition of automobile, amusement and all other nuisance taxes, was made today by democrats in congress.

Representative Jacobstein, democrat, New York, with the approval of Representative Cordell Hull, former democratic national chairman, will introduce late today a resolution directing the ways and means committee to meet a month or two before congress reconvenes December 5 to draft a tax cut bill to absorb the present \$390,000,000 treasury surplus and other revenues.

Jacobstein announced his plan to the United Press with the statement that leading industrialists have been pressing for several months for reduction in corporation, automobile and other taxes and that the condition and prospects of the treasury amply justified another reduction at once.

A rebate of perhaps 25 per cent on this year's tax payments is a leading feature of his plan. The reduction on corporation taxes also should be effective on this year's business, he said.

Statements from President Coolidge and Secretary of the Treasury Mellon that further tax reduction was not yet in sight were attacked by Jacobstein as attempts to defer the reduction until just before the next presidential campaign year.

He charged that Secretary Mellon's estimates of government surpluses for the last five years have been \$1,500,000,000 under the actual figure and made for the political purpose of springing a surprise in the form of tax reductions.

Jacobstein's resolution directs the ways and means committee to meet early and draft a bill carrying out the house's recommendations as embodied in the measure.

Washington, June 23.—Democrats in both houses of congress today demanded extensive reduction of taxes effective at once and said they were justified by this year's \$390,000,000 surplus.

Representative Jacobstein, democrat, New York, introduced a resolution demanding a 25 per cent reduction on this year's taxes and for a congressional inquiry on repeal of automobile taxes and other taxes.

Senator Copeland, democrat, New York, introduced a joint resolution to make a 25 per cent personal tax rebate, and Representative Crips, democrat, Georgia, introduced a bill to cut the corporation tax from 13 1/2 to 10 per cent. All proposals would become effective at once.

VARE FACES TROUBLE IN SENATE

Washington, June 23.—(UP)—Notice of a prospective attempt to unseat W. S. Vare if he is elected senate from Pennsylvania in the November elections was given in the senate today when Senator Neely, democrat, West Virginia, introduced a motion for reform of the primary law.

"The senate should give notice to the republican party of Pennsylvania that it will not look with favor upon seating of any man who spent more than \$600,000 in his primary campaign," Neely said.

Vare spent more than that sum, according to information before the senate investigating committee.

WILLMAR OBJECTS TO CHARTER CHANGES

Willmar, Minn., June 23.—(UP)—Emphatic disapproval of changes in the city charter were registered by Willmar voters. All 17 of the proposed amendments to the charter were defeated by overwhelming majorities.

Greer-Wolt

Samuel W. Greer and Miss Mabel Wolt were united in marriage at 9:30 o'clock Tuesday morning at the Norwegian Danish Lutheran church, Rev. O. L. Bolstad pastor of the church officiated using the ring service. Miss Valeria Greer acted as bridesmaid and William Brick as best man.

The bride was attired in a beautiful gown of peach color georgette trimmed with lace and carried a shower bouquet of bridal roses and baby breath. The bridesmaid wore a gown of peach color voile and carried pink roses.

Following the pleasing ceremony a delicious wedding dinner was served at the home of Mr. and Mrs. C. G. Wolt 1401 Pine street South-east.

Both contracting parties are well known locally. The groom is the son of Mr. and Mrs. Samuel Greer of 822 South Seventh street and was born and raised in Brainerd. He is employed as a bus driver by the Northland Transportation company.

The bride is a daughter of Mr. and Mrs. C. G. Wolt of this city. After a short honeymoon trip they will make their home in Brainerd.

Their many friends unite in wishing them happiness in their married life.

FREE METHODIST CHURCH

Will Hold Annual Camp Meeting at Fort Ripley on Old Fort Grounds

The Free Methodist church of the Northern Minnesota conference will hold their annual camp meeting at Fort Ripley on the old Fort grounds, beginning June 24 and holding till July 4 inclusive. Tents will be furnished and cots will be supplied at moderate prices. Rev. E. A. Tapper of Chicago will be the evangelist. Reservations may be addressed to H. W. Miller of Fort Ripley.

Bethlehem Lutheran Aid

The ladies aid of the Bethlehem Lutheran church will meet Thursday afternoon, June 24 at 3 o'clock in the church parlors.

The hostesses are Mrs. M. J. Rejs, and Mrs. Carl Anderson. Members and friends are cordially invited to come.

Parcel Shower for Bride-to-be

A parcel shower was given on Monday afternoon in honor of Miss Mabel Wolt, a bride-to-be. A decorated cart, drawn by little Miss Mardell Hoston, contained the numerous and useful articles for the bride.

The afternoon was enjoyed socially and a delicious luncheon was served the 22 guests.

Ladies Birthday Club

The Ladies Birthday club of the Swedish Bethany church will serve a picnic supper this evening at Lum Park. Everyone is invited to come.

GRATEFUL FOR SUPPORT GIVEN

In a telegram to the Dispatch from Washington, D. C., Congressman Knutson, renominated at the primaries, states:

"I am extremely grateful for splendid support. Carried Lake of Woods 877 to 76 for both opponents."

"ALWAYS FAITHFUL" CLASS

Pleasantly Surprise Their Teacher, Albert O. Anderson, at His Home

Last night the "Always Faithful" class of the Swedish Bethany Sunday school pleasantly surprised their teacher, Albert O. Anderson at his home 607 Third Avenue.

Miss Hazel Fallquist, president of the class spoke in its behalf and presented Mr. Anderson with a picture taken of the class when they were confirmed.

The entire teaching personnel of the Sunday school was also present and they in turn surprised Oscar E. Swanson, the superintendent.

Mrs. P. G. Fallquist spoke for the teachers and presented both the guests of honor with a bouquet of pink and red carnations respectively.

After games and music had been enjoyed, delicious refreshments were served and all departed at a late hour, reporting a most enjoyable time.

ON CONGRESS

Vote in Morrison County as Given the Congressional Tickets of 2 Parties

In a telephone message, the Little Falls Transcript gives this vote for congress in Morrison county: Republican, Harold Knutson, 2,788; Don Freehan, 1,427; Wadsworth, 429.

Farmer-Labor: Bouma 206, Hendrickson 253, Taylor 235, Himsel 671, John Knutson 735.

Short Legs and Sleep

Animals with short, sturdy legs, such as the pig, the rhinoceros, and the hippopotamus, sleep on their sides, as they cannot bend their legs under them.

A New Kind of Six!

That's the word the industry has about this Hupmobile Six—and that is what you will say when you get behind the wheel and try it out. You'll actually thrill to its performance every time and every mile you drive it. Here you have all the sound engineering values for which Hupmobile is noted, in one of the smartest, best finished sixes in the field. Furthermore, its unusually complete mechanical equipment includes such important features as an oil purifier, a gasoline filter and a vibration damper.

Hupmobile Six

Sedan, five-passenger, four-door, \$1395.
Coupe, two-passenger, with rumble seat, \$1395.
Touring, five-passenger, \$1325.
Equipment includes 30 by 5.25 balloon tires, four-wheel brakes. All prices f. o. b. Detroit, plus revenue tax.

Hupmobile Eight

Sedan, five-passenger, \$2345.
Berline, \$2445.
Coupe, two-passenger, with rumble seat, \$2345.
Roadster, with rumble seat, \$2345.
Touring, five-passenger, \$1945.
Touring, seven-passenger, \$2345.
All prices f. o. b. Detroit, plus revenue tax.

Little Visits Around the Rural Section

Written especially for the Dispatch by W. H. Triplett and E. W. Smith, travelling editors for this paper and The Farmer of St. Paul.

W. H. Triplett

E. W. Smith

We often hear one remark when making our little visits, that he has not time to read, but this is not the case with Ole Anderson, we are glad to say. He has been raising bees for the last 20 years and remarked that he often reads something in papers that is very beneficial to him in regard to bee culture. He has 93 colonies, that are all working hard. The last year honey crop was over 6,000 pounds. Mr. Anderson has his bees, and Mrs. Anderson has her poultry, having over 300 chicks of Buff Orpington and White Leghorn breed. She likes the Orpingtons very much, for when one sells, a good price is received, and if one wishes to eat them, he has something worth eating.

John P. Anderson is maintenance man on State Highway No. 27. His sister June is keeping house for him. Sunday they drove to Tamarack, Minn., to visit their folks. Miss Anderson has a very nice garden to keep her busy, and to supply them with all the necessary fresh vegetables.

Owen Peaslee is running an up-to-date modern grocery store, known as the Daggett Brook store. The farmers in this community are fortunate in having a place near where a fresh line of groceries, fruits, ice cream and pop etc., can be bought and a place to market poultry, eggs and cream, always receiving the highest price for their products. One also may buy almost anything for his Lizzie, including gas and oil.

Leroy Sewell was not at home, but his wife tells me that they are renting 160 acres and also farming their own land consisting of 200 acres. He plans on seeding 35 acres of buckwheat; this should at least supply Brainerd residents with enough buckwheat for pancakes next winter. He has been working in the gravel pit the last few weeks, which helps to increase the income. Mrs. Sewell has a very fine flock of 250 Plymouth Rock chicks; she plans on having a large flock of pullets to supply the family with eggs next winter.

Henry Elletson is farming on a somewhat large scale as he is renting 800 acres, from Varnar Brothers. They have a very nice set of buildings, including two silos which help to save feed and to increase the milk production. They are milking 30 cows. Any one in the market for a purebred Hereford sire might be well repaid if he looks at the one Mr. Elletson has for sale. The electricity on the farm helps to lighten the work which is ever present.

Charlie Racine was so busy getting his hired man off to plow that we had no time to talk to him, but

we learned from his wife that they had farmed for the last 30 years and have had their ups and downs the same as we all find in any business. They are milking 17 cows of mixed breed, which have silage in their ration.

The men folks at the John Miller home were not at home when we

called, but we had an interesting visit with Mrs. Miller. They formerly lived in Iowa, but due to the increased rent on Iowa land they moved to Minnesota eight years ago. Mr. Miller raises a little of everything so he never has a total failure. Geo. Fruth has one of the most neat and attractive and pleasant farmsteads that we have seen for some time. It is surrounded by jack-pines that not only help to beautify the place but also gives protection in both winter and summer. Mr. Fruth has used a silo for the past three years and says he couldn't get along without it as it not only saves feed, but his cattle always look better and fill the milk pail fuller. He plans on breeding toward a Red Poll herd. This breed of cattle not only give a good supply of milk, but also make a good quality of beef. Clyde Herman, and sisters, Alice

and Flora are making an extended visit at the Fruth home.

Clarence Englehart was another farmer whom we did not find at home. His wife tells me that they have farmed the home place for the last 11 years and at present are farming 120 acres of their own. We noticed six colonies of bees in the yard that without a doubt give their owners a good supply of honey.

We found Mr. Rouse churning. As to whether he was singing "Come butter, come butter, Johnny's waiting at the gate," is hard to say, but anyhow while we were visiting the butter came. His sons Herbert and Tom are running the farm as he is troubled with rheumatism. They are milking seven grade Jerseys that have silage in their ration. Herbert served six months in Uncle Sam's army during the war, and attended the School of Agriculture at St. Paul under the Federal Board for three years. Boys and girls who have not had the opportunities to go to high school may go to the school of agriculture at very little expense, and gain some very valuable information that will help them to round out their life work on the farm.

W. H. TRIPLETT.

Depends Upon Molecules

Transparency depends upon the arrangement of molecules of certain objects. In glass the molecules lie beside one another in such a regular way that they allow light to pass through them.

Unexplored Canada

Seventy-five per cent of Canada has not yet been seen by white men, according to R. H. Knight of Ottawa, president of the Association of Dominion Land Surveyors, says Popular Mechanics Magazine. He pointed out that travel is confined to the known routes and few persons ever visit the uninhabited regions that lie beyond. Only a small portion of the country has been mapped, Mr. Knight said.

From surveys made last year, it was discovered that the province of Ontario has about 1,500 square miles more territory than was previously estimated. During an exploratory trip in the northwest section of Canada, never before visited by white men, a series of lakes, 200 miles long, were discovered. It was also found that parts of the province of Quebec had sunk.

To Tax Feet

After a fixed date all Chinese women under thirty whose feet are still bound will be taxed a sum equal to three dollars a month. This is an effort on the part of two Chinese militarists, not only to add to the country's revenue but to abolish a vicious custom which has persisted from time immemorial in China, in spite of many comparatively modern attempts to create feeling against it, and so in time do away with it.

Legend has it that the custom started in early times to prevent women from running away to seek adventures. It has recently been estimated that there are still 70,000,000 pairs of deformed feet in China, and that in the coming generation there will probably be more.

Seek Lost Malay Kingdom

The "lost Malay Kingdom" is thought to have existed in the island of Jolo, which is the southernmost of the Philippine group. Leading Filipinos are planning an expedition there to uncover, if possible, any records of the old kingdom, which is believed to have existed about 1750. The accounts of the "Malay kingdom" are disbelieved in some high places, and for this reason the expedition has been proposed. There is no particular question that Malays lived there, but the existence of the "kingdom" is doubted.

WEDNESDAY, JUNE 23, 1926

GOVERNOR CHRISTIANSON

GOVERNOR CHRISTIANSON has emerged from his primary campaign with added glory. As a brother editor, we wish to congratulate him. With economy as his mainspring of action, he has had an arduous row to hoe in his efforts to put the state reorganization of government in effective working order.

In a recent review of Governor Christianson's work, as published by the Duluth Herald shortly before the election, the Herald said that the worst thing that has been said against Governor Christianson by his opponent and his supporters comes to this: that he has tried hard to be careful with the people's money. Now that may be a serious indictment in some quarters, but to most people it will seem a high tribute.

When he was a candidate two years ago Governor Christianson said that he would try to save money for the taxpayers, and he has done it. He promised, and made good on his promise. There surely can be small political profit in attacking a conscientious public official because of that record.

Governor Christianson's opponents attacked him because of his veto of certain appropriation items, including some in which this section of the state was interested. He vetoed one or two items which the Herald supported, and which the Herald believes should have been permitted to stand. But that is an unworthy ground on which to attack him and the Herald supported him despite the fact that he vetoed projects it favored—indeed, in part it supported him because he had the courage to do an unpopular thing that his pledge to the people compelled him to do.

The appropriation totals as the legislature passed them up to the governor were too large. Unfortunately it is impossible under the Constitution for a governor to reduce items in an appropriation bill. He has no choice except to veto them entirely or let them stand. Therefore he selected those items that he considered less necessary than the rest, and struck them out of the bills. Thereby he disappointed those who supported these items, but he began to make good on his pledge to be careful of the people's money. And that is a reason for supporting him, not for opposing him.

Governor Christianson has made good abundantly and therefore he deserves re-election. Those who believe in the honest, conscientious and economical administration of public affairs should rally to his support at the general election.

The state reorganized system of government will be under fire, Magnus Johnson being outspoken against it.

ADVERTISING MINNESOTA IS BIG BUSINESS

ADVERTISING Minnesota has become a big business. What is advertising? Telling others.

Why does a business concern advertise? Because it has something to sell.

What has Minnesota to sell? Healthful recreation. The tourist business is a real asset to Minnesota. The real reason for the existence of any business is its usefulness, or the service it can render.

Attention to a business is the first requirement for success. We should give thought to the service we who live in the Land of Ten Thousand Lakes can give to our visitors, that they may tell others. A pleased customer is the best advertisement possible.

Courtesy, value received in food and accommodations, no humbug but an honest delivery of what the tourist is led to expect from us make for the lasting prosperity of ours as of any vacation country.

Brainerd's tourist camp is known the country over as a good place for night control, where real comforts are to be had. And those who first hear of us through the tourist camp often become excellent patrons in other ways.

A few days ago a railroad folder from a line that is nearly all outside our state, but setting forth the summer advantages of Minnesota was received here. It contained pictures of Gull Lake, one showing Bert Orne holding up a 20 pound pike, and writeups telling people how to reach Minnesota and what a good time they can have when they get here.

We know that the Northern Pacific has long been advertising its patrons from other sections to visit Minnesota.

Minnesotans are learning more and more to appreciate our own state, and thousands are spending their summer vacations "at home" and spending their money here.

The more that come, the more service they require. They use transportation, rail, bus and auto; eat the products of the farms, direct or manufactured; wear vacation clothes, use furniture, hardware, fishing tackle, boats, sport goods, cameras, auto supplies, and to follow the auction bill "other articles too numerous to mention." In short, they make work or business for all. Brainerd would be a dull town in summer but for our visitors.

Why do they come? Because they like it—the same fundamental reason that causes you and the rest of us to live here.

Brainerd is a good town. We can make it a better one. If the railroads can afford to advertise, there must be a reason, and we can all help.

There is a power in unified effort. The breaking down of a neighbor's business means failure in our community. The success of our neighbors, means prosperity near at hand.

Let us join hands with all that wish the well being of our state and city, and "tell others."

SENATOR ROSENMEIER will go back to the senate with a stronger endorsement from the people of Morrison county than ever before. His vote in Morrison county was pretty nearly 100 per cent, and he received a handsome vote in Crow Wing county, says the Little Falls Daily Transcript. Thirty-eight precincts gave Rosenmeier 5,014, Heath 585 and Atwood 553.

KEEPING of baby deer is a poor practice, says Charles W. Henke, assistant commissioner. He's referring to two-legged deer.

We wonder who wrote all the inspired stuff about the campaign of Don Freeman of St. Cloud. We fail to find one place where pre-election prophecies hit the mark.

EXPERIENCE and responsibility make conservatives of us all, says the Park Rapids Enterprise.

It takes intelligence on the part of voters to win a sticker campaign.

BRAINERD

25 YEARS AGO

From the Daily Dispatch

June 22, 1901

Wilmer Holmes has added several new boats to his fleet at Gilbert Lake and among them are a number of Ajax steel row boats, the finest made.

Secretary Wilhelm of the Y. M. C. A. says that the ladies as well as gentlemen are invited to the Sunday afternoon talks of the Y. M. C. A. on Historical Men. Bring your ladies with you during this series.

Dr. Camp has returned from a professional trip to St. Paul.

Mrs. E. C. Griffith arrived in the city this noon to spend a few days with her husband.

Rev. B. Simon has returned from Hendricks where he has been attending to some business matters.

Wm. Koop left today for Cass Lake where he will be employed for two or three weeks in the Cass Lake bank.

Those interested in the national game will have an opportunity of seeing a good article of ball tomorrow afternoon at Schwartz's driving park. The Brainerd team will play a game with the colored team of the Georgia Minstrels. The colored team is said to be a fine one and with the home team strengthened quite materially there should be a good exhibition of the game. * * * The following is the line up of the Brainerd team: Spencer, c; Derocher, p; Roenbush, 1b; Finn, 2b; Boyle, ss; Orth, 3b; Murphy, lf; Senti, cf; Hallday, rf.

Evidences of prosperity are looming up around Pelican Lake if the records in the office of Clerk of Court Johnstone are any indication. Several purchases have been made within the past few days of land on the south end of the lake, mostly by people who are taking the land to build summer homes. The purchases include among others prominent Brainerdites. Pelican Lake is about 16 miles from Brainerd and 5 1/2 miles from Smiley on the Minnesota and International railway.

J. C. Small left today for the Pan American Expedition at Buffalo. He will visit Toronto and many other points of interest before returning to Brainerd.

Mrs. E. M. Cady, county superintendent of schools of Cass county was a guest in the city today conferring with Superintendent Wilson regarding summer school work.

Cashier George D. LaBar left today for Cass Lake to attend to some business matters, Ray Shumaker who is working in the Cass Lake bank will return with Mr. LaBar and stay in Brainerd for a short time while Will Koop goes to Cass Lake to look after matters in the bank there.

Oil Is a Big Little Thing

Oil is a little thing when motoring expenses are considered—hardly worth mentioning.

From the yearly expenditures of the United States on automobiles, as reported by the Bureau of Industrial Technology, the cost of oil is found to be only 2.14% of the total yearly automobile bill.

But oil, for all its insignificance on the expense account, is a big thing in the life of every car. Failure to realize this fact costs car owners lots of money.

An engine must have oil or it will not run at all. It must have the *right* oil, or it will not run smoothly.

The reasons are quickly apparent. Fast moving surfaces within the engine must be protected with a thin film of oil that will withstand heat and friction. If this film breaks, surfaces chafe against each other, and particles of grit grind them away. Repair bills and the gradual disintegration of your car are inevitable results.

Only the best oil, made especially to fit the needs of your particular engine, can protect it adequately—Polarine is the perfect motor oil—the scientific product of years of painstaking work by the Standard Oil Company (Indiana) lubricating staff. There is a grade expressly made for your individual engine. That grade of Polarine lubricates thoroughly the remotest frictional surfaces. It will permit your engine to operate smoothly—and do its best work.

When you have actually cut down repair bills and learned the joy of a smooth running car by using Polarine—the perfect motor oil—you will appreciate the fact that oil is a *big* little thing.

Standard Oil Company

These 3 great engineering factors

—throw an entirely new light on present-day-performance standards

Here is a remarkable new-type of car, different in performance, comfort and ease of driving from anything you have ever known before.

It is a complete new departure in automobile engineering.

The whole car is designed as an integral, harmonious unit. All parts are co-related with each other. It is unit-engineered to meet modern performance standards.

You can drive an Overland Six hour after hour at high speed without wear on the engine. It was designed for an average road speed of 40 to 55 miles an hour.

Its low gravity center gives you a feeling of security never before found in any car of this type. Without side-sway or slipping or wandering... the car fairly hugs the road.

This big, sturdy Six will actually out-pull, out-run and out-perform anything else of its size, or weight, or price-class.

It is a car of exceptional comfort. The big, broad door openings are 32 1/2 inches wide. You can get in or out with the utmost ease.

The beautiful lines of the Overland Six are universally commented upon by its owners.

Nothing has been spared to make this car a positive comfort-revelation. In fairness to yourself, see the Overland Six before buying any car today.

RICKARD FIRM FOR DEMPSEY-TUNNEY BOUT

DESPITE ACTION OF STATE BOXING COMMISSION

NEW YORK PROMOTER CONSIDERS TWO ALTERNATIVES OFFERED

MAY CONCLUDE TO TAKE BOUT TO JERSEY CITY BOYLE'S THIRTY ACRES

By PAUL W. WHITE
(United Press Staff Correspondent)

New York, June 23.—Firm in his determination to hold a world's heavyweight championship bout between Jack Dempsey and Gene Tunney despite the state athletic commission's refusal to permit such a match in this state, Tex Rickard today considered two alternatives.

The promoter, who holds the signatures of both fighters, may take the bout to Boyle's Thirty Acres in Jersey City, where a 12-round no-decision affair, can be held, or he may transfer his contract to a Chicago syndicate which has been angling for the battle.

The New Jersey plan appears to be the more feasible. Rickard realizes that the bout might even outdraw the Carpenter-Dempsey fight, and he is not the one to pass up a gate of possibly more than a million and a half.

It is probable that Rickard will begin at once in the preparation to hold the fight at the Thirty Acres plant on September 16. It will require at least \$150,000 to make necessary repairs on the huge arena. Once renovated, it will hold more customers than any New York lot could house.

Rickard was bitter at the New York commission's vote of 2 to 1 against holding the bout here. He pointed out that the state lost \$90,000 in taxes by its action.

Dempsey has been returned to the ineligible list in this state and if the commission is to remain consistent the champion or Tunney never can fight in this state if the bout takes place.

Theoretically, now that Dempsey is refusing to accept the challenge of Harry Wills, the local boxing body could term the title vacated and either order an elimination tournament or declare Wills the champion. It is probable neither action will be taken.

MAY MEET IN TITLE BOUT SOON

Los Angeles, June 23.—Jack Dempsey, world's heavyweight champion, and Gene Tunney, foremost challenger, probably will meet in a title bout next September despite refusal of the New York boxing commission to approve the match.

Both fighters, in exclusive interviews today with the United Press, declared they were willing and would be ready to meet at the proposed time and in any one of the 47 other states in the nation.

"It does not matter to me where the match is staged," said Dempsey. "I will fight Tunney in Jersey City or in any other place that Tex Rickard picks for the bout."

The challenger, interviewed on the movie lot, appeared similarly unconcerned over the action of the eastern boxing board.

"Of course, I am disappointed that they turned down the match," he said, grabbing a towel and wiping a smear of make-up off his face, "but if Tex Rickard takes the fight across the river, it's O. K. with me. I have waited a long time for a chance at Dempsey, and whether we fight in New York or in some other place is not going to make any difference with me."

Neither Tunney nor Dempsey appeared worried over the boxing commission's threats to bar them from fighting or to take part in a title match in another state. Both felt, they declared, that the next championship battle would be a bigger event than anything that the New York Athletic Commission could do.

PAPER MILL MEN, MARRIED MEN 17 SINGLE MEN 15

The married and the single men of the Paper Mill played a ball game last night at the mill grounds, the married men being declared winners after nine innings of loose playing by a score of 17 to 15.

Jarbo was credited with slugging out two homers.

Bars Brothers Acting as Ring Seconds

New York — A state boxing rule bars brothers from acting as ring seconds. Hence Clyde and Art Hudkins, brothers of Ace Hudkins, who will fight Rudy Goldstein here Friday night are memorizing a set of wigwag signals with which to advise the Nebraska lightweight from front row seats.

Watching the Scoreboard

Yesterday's Hero—Jakie May, Cincinnati, who fanned two batters and caused another to ground out after the Cubs had filled the bases in the eighth. The Reds won 3 to 2.

The Tigers defeated the Browns 9 to 4 for their fourth straight victory. A six run rally in the ninth gave the Senators the first game of a double header with the Yanks, 8 to 7, but the Huguenot got revenge in the second, winning 9 to 1.

Glenn Wright got away two homers in the Pirates' 3 to 1 victory over St. Louis.

The Robins took an early lead and Grimes held Boston safe, Brooklyn winning 4 to 2.

Chicago shot into a triple tie for second place with Cleveland and Philadelphia by defeating the Indians in the 10th, 4 to 3. It was Lyons' 12th victory of the season.

The Phillies made a dozen hits off two Giant pitchers and won easily 6 to 2.

Taking the lead at the start the Colonels downed the Blues 10 to 9.

Overcoming a six run lead the Saints won from Columbus 8 to 7 in 10 innings.

Although outlived the Millers beat the Mudhens 4 to 0.

After having lost five straight the Brewers swamped the Indians 17 to 6.

GOLF TOURNAMENT, BREEZY POINT, ON JULY 4TH

MEN'S TOURNAMENT PLAYED IN MORNING, MEDAL HANDI- CAP, 18 HOLES

WOMEN TO COMPETE IN MIXED FOURSOME IN THE AFTERNOON

A golf tournament for both men and women has been announced for July 4th at Breezy Point Lodge, near Pequot. The men's tournament will be played on the morning of the Fourth and will be a medal handicap affair—18 holes. The women will compete in a mixed foursome tournament on the afternoon of the Fourth. Among the early entrants are Harry Legg, Minikahda Club, Minneapolis, five times Trans-Mississippi champion, and R. C. Lilly, Somerset, St. Paul, winner of the 1924 Ten Thousand Lakes Championship.

The Ten Thousand Lakes Golf Championships for men and women are scheduled at Breezy Point late in August.

'SINGLES' CHALLENGE THE MARRIED MEN

3 GAMES SERIES OF KITTENBALL IN PROSPECT BY M. E. CHURCHMEN

The "Singles" kittenball team of the First M. E. church today issued a challenge to the "Married Men" of the church to a three game series of kittenball.

No arrangements have been made yet regarding dates or field but will be made as soon as the challenge is accepted.

Latz-Harmon Fight Tonight
Newark, N. J.—The Pete Latz-Willie Harmon fight postponed last night because of rain, was put over until tonight. Cloudy skies, however, rendered doubtful prospects for staging the fight.

Y. M. C. A. DEFEATS B. A. C. IN UPHILL GAME, SCORE 11-4

SANDGREN IN RARE FORM AF- TER BAD START IN FIRST INNING

WINNERS POUND STALLMAN FOR 8 HITS, 8 RUNS IN FIFTH

No Game Tonight
Game Thursday, 5:30 P. M.
Y. M. C. A. vs. Seals

Coming from behind to overcome a four-run lead which the B. A. C. front row piled up in the first frame of last night's game, the Y. M. C. A. slugged their way to an 11 to 4 victory, pounding Stallman out of the box with eight hits and eight runs in the fifth.

Sandgren got away to a bad start, the first five men facing him lacing his offerings for hits. Hegstad, Nutting, Uddenberg, Peterson and Norman, in that order, pounded the ball to places where nobody was, Nutting and Uddenberg sending the pellet over centerfield for three base hits, the first of the kind to be made in the league this summer. From then on, however, Sandgren had them at his mercy, the only other hit being made by the B. A. C. swatters during the rest of the game being a scratch infield one which earned off Sandgren's foot and rolled where Engbretson could not get to it in time.

The fifth inning was disastrous for the B. A. C. team. Bollens started off with a single, Bernard did the same, Bollens coming home, having stolen second. Bernard advanced on Hanson's infield out, Dillan doubled, scoring Bernard, Engbretson singled, scoring Dillan, Ziebell was safe on a fielder's choice, Anderson sent a hot one through LeNeau, then Sandgren singled, and Orth, Bollens and Bernard doubled in succession.

Features of the game included the long hitting of the first inning, with Nutting and Uddenberg starting with triples, and the hitting of Bollens and Bernard in the fifth, both men getting a single and a double in two trips to the plate in the one inning. Sandgren, besides pitching superbly, hammered the ball for three solid singles out of four trips. Anderson hit safely, making the ninth consecutive game in which he has made at least one hit, while Bollens hit for the eighth successive game.

All the Y. M. C. A. putouts were made by the catcher or first baseman, except for one long fly which Ziebell gathered in after a run. The defensive work of the Y was almost airtight, only one error being made.

The box score:

Y. M. C. A.	Ab	r	h	po	a	e
Anderson, rf.	3b	4	1	1	0	1
Bollens, ss.	4	2	2	0	4

N. E. ORIOLES 11, M. E. CHURCH 8

The N. E. Orioles defeated the Methodist church nine Monday evening at the Koering grounds by the score of 11 to 8.

Poster pitched a fine game for the Methodists but blew up in the late innings and lost the game.

The Methodists got five hits to the Orioles eleven.

Summary—Two base hits: Jackson. Struck out: by Foster, 5; by Jackson, 15. Bases on balls: off Foster, 4; off Jackson, 6.

Score by innings:
N. E. Orioles 003 134—11
Methodists 411 011—8

Oldest Gospel

Edward I. Bosworth, writing in "Studies in the Life of Jesus," says, "The Gospel according to Mark is now generally thought to be the oldest of our four gospels."

Sizes Himself Up

It often seems that the fellow with an inferiority complex simply has a good sense of values.—Birmingham Age-Herald.

CORNS

Lift Off—No Pain!

Doesn't hurt one bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers.

Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn or corn between the toes, and the foot calluses, without soreness or irritation.

ALEXANDER ADDED TO STAFF ON THE MOUND

VETERAN PITCHER OF SENIOR LEAGUE IS CAPABLE INSTRUCTOR

MAY TURN IN 8 OR 10 VICTORIES BEFORE END OF THE SEASON

By BERT M. DENBY
(United Press Staff Correspondent)

Chicago, June 23.—The St. Louis Cardinals today became a more serious threat in the National league baseball race, through the acquisition of Grover Cleveland Alexander.

Alexander, goes to the Cardinals from the Chicago Cubs via the waiver route at a price of \$4,000. Just four years ago the Cubs refused an offer of \$100,000 for the great pitcher.

Now resting in third place and only 2½ games from the top rung of the ladder, the Cardinals are looked upon as likely contenders for the pennant.

Cardinal sympathizers believe the veteran Alexander will be able to turn in 8 or 10 victories between now and the finish of the season, and that number of games may easily decide the National league championship. But of even greater value to the Cardinals will be Alexander's wisdom in the way of big league pitching. The St. Louis club has a group of young pitchers who may be directed along the paths of greatness by the instruction Alexander will give them. When his close personal friend, Bill Killefer was manager of the Cubs, Alexander devoted much of his time to the training of the younger members of the Cubs' pitching staff and gave Killefer almost invaluable assistance.

In going to St. Louis Alexander once more will join his old battery mate, Bill Killefer, who is assistant to Rogers Hornsby as manager of the Cardinals. This pair, Alexander and Killefer, should be of great assistance to Hornsby in leading the Cardinals toward a pennant.

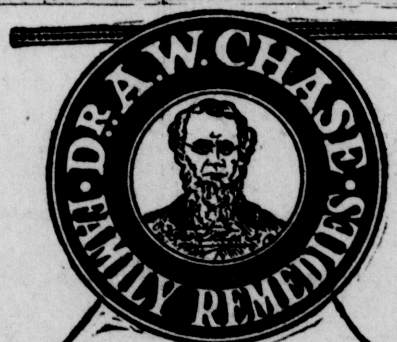

Alexander leaves the Chicago Cubs a fallen idol. Just a few weeks ago he was presented with an automobile by admiring fans. His presence on the field has always brought cheers from the stands and bleachers. But he had difficulty with the new management of the club and a week ago he was suspended indefinitely for breaking training rules. His release at that time was predicted but came earlier than expected.

Flying Highwayman

William Harrow, the "Flying Highwayman," who was executed for robbery in England in 1763, was celebrated for his reckless riding. He used to send his horse over turnpike gates as if it had wings.

Love Gives Profusely

CHARGES INCORRECT STATEMENTS MADE

Alderman Quansstrom Attacks Political Advertising of Alderman Martin Anderson

DEMANDS IT BE CORRECTED

City Clerk Instructed to Publish Correct Statement, All Vote Aye Except Alderman Martin Anderson

Alderman V. E. Quansstrom at last night's city council meeting charged Alderman Martin Anderson with making incorrect statements in his political advertisement for George A. Cain and demanded that the statements be corrected. By motion of the council, Alderman Martin Anderson being the only one to vote against it, the city clerk was instructed to publish a correct statement of affairs related to by Alderman Anderson in the advertisement.

The following statements were objected to strenuously by Alderman Quansstrom:

"If you should elect Frank E. Little and he qualifies and then resigns the president of the Council becomes Mayor of the City of Brainerd."

"Mr. D. H. Fullerton has a written legal opinion from the Attorney General's office on this question (the question of forcing George A. Cain to sign Erick Graff's check), but I invite the citizens of Brainerd to go to the city clerk's office and ask to see the letter he wrote and the answer he received."

"Mr. Fullerton stated what duties Mr. Graff performed as special fire chief and inspected basements and watched for fires, etc., whereas the title on the payroll voucher is 'Special fire chief and watchman.'"

The first clause Alderman Quansstrom objected to on the ground that the city charter specifies that the president of the council does not become mayor in case Mayor Little resigns but the council must appoint a man for the position. He substantiated his statement by reading Section 14 of the charter.

Mr. Quansstrom also objected to the statement made that City Attorney Fullerton had not clearly outlined the situation to the attorney general. He wanted this cleared up also. Alderman Quansstrom objected to the statement Alderman Anderson made in that Erick Graff is not "special fire chief and watchman," but "fire inspector and watchman."

The argument took place in the last five minutes of the meeting after all business had been taken care of without any dispute.

Alderman Martin Anderson stated: "I can see that the wrangling in the city council is still here. I did not start this tonight. I came here and took my medicine like a man. I think this little stuff that Quansstrom is bringing up is just to start more wrangling."

Alderman Quansstrom—"We are not wrangling. If we are going to start out with a new mayor we are going to start out clean. If you made a mistake, then it should be corrected, the same as any minutes are corrected if not right."

Alderman Martin Anderson—"If you start out now and publish a statement, it will look as if the fight is still on."

The council room was filled with interested listeners.

A canvass of the votes showed that Little polled 2,118 votes while Cain polled 1,376. Following the canvass President Lyons declared Frank E. Little elected mayor of Brainerd.

F. E. Little has ten days in which to qualify at the office of the city clerk. The next council meeting will be held on July 6.

Permission was granted by the council to Charles B. Peabody to install a gasoline pump on the corner of Mill and Ash avenue.

A petition was received from a party of business owners in the city complaining on the smoke caused from the smoke stack of the Brainerd Model Laundry, the smoke stack being in poor condition, it was stated. The city engineer was instructed to handle the matter.

The bid of F. H. McCaffrey for \$20 for painting and varnishing the nurse's room was accepted.

The property committee and the city engineer were instructed to get specifications of the different sizes of hot water tanks and heaters and the prices on the same for the fire hall and to report to the next meeting.

Permission was granted Ed. Hirt and Sons, contractors for the new Elks home, use of a portion of the streets and sidewalks for the placing of material for the construction of the building.

The contingent fund was ordered to be brought up to \$300 to meet the requirements of the charter when the new mayor takes office.

MUNICIPAL BAND PLAYS TONIGHT

Weekly Band Concert to be Held Tonight at Lum Park

10. Overture, "Gala Night"—Chenette.
11. Fox trot—"The Pump Song."
12. March, Iowa Band Law—King.
13. Star Spangled Banner.

PEONY SHOW IS POSTPONED

Decision Reached After Careful Investigation of Peony Blooms Here

BLOOMS DISCOURAGING

Very Few Opened Normally And Are For Most Part Imperfect

At a special meeting of the officers and committee members of the County Garden Flower society held on Tuesday, June 22, it was decided to cancel the peony show for this year. This decision was reached after careful investigation of the present condition of the peony blooms in the city. The blooms were found to be in such an uneven state of opening that it will be impossible to stage a creditable show. Very few peonies have opened normally and are for the most part imperfect. The conditions are not characteristic of this vicinity only, but are prevalent throughout Minnesota and are due no doubt to the adverse weather conditions with which we are familiar. The efforts of the society will be directed toward putting on a good show at the time of the autumn flowers.

HEAR ZIERKE CASE IN COURT

Sues City for Pay Alleged Due Him for Services as Chief of Police

MANY WITNESSES CALLED

All City Aldermen Are Expected to Take Stand in District Court

The civil court case of Roy N. Zierke vs. E. T. Fleener et al, in which Roy N. Zierke is suing the city council for pay he alleges due him for his services as chief of police of Brainerd, opened this morning before Judge Stanton in district court.

The case which will have a long list of witnesses is expected to last all day today and part of tomorrow.

Witnesses examined this morning were Ex-Mayor George A. Cain, Mrs. E. T. Fleener, city clerk; Aldermen Martin Anderson, V. E. Anderson, W. E. Lewis.

It is expected that all the city aldermen will appear on the stand as witnesses.

Mr. Zierke, of Duluth, is attorney for Roy N. Zierke while City Attorney D. H. Fullerton represented the city.

BRAINERD BOYS BAND REHEARSAL

Preparing for Many Engagements Now Being Booked by Management

E. A. PAGE DIRECTOR

Will Play Concert at Gregory Park on Friday, June 25

A rehearsal of the Brainerd Boys' concert band was held last night at the Y. M. C. A. and music lovers are promised an exceptional treat Friday, June 25, when they will stage another of their concerts at Gregory Park under the direction of E. A. Page. The same numbers will be rendered as were announced for the last concert which was to have been held at Lum Park but which had to be postponed on account of the inclement weather.

They have several engagements that they are considering, among them being the Fourth of July celebration at Midland, Mille Lacs Lake and the Eagle Lodge and Odd Fellows' picnics which will be held in the near future. Sunday they played at Mille Lacs Lake and besides receiving many congratulations were feted at a chicken dinner.

CHAUTAUQUA SEASON TO OPEN

Tickets Placed on Sale at Seven Business Places in the City

Season Ticket Affords Much Entertainment at Moderate Price

Tickets for the Chautauqua season, June 28 to July 2 inclusive have been placed on sale at H. P. Dunn, Economy drug store, Skauge drug store, Johnson's pharmacy, E. F. Gates Co., Model Meat Market, and O'Brien Mercantile company.

Directors and officers of the local Chautauqua organization met yesterday afternoon at the Chamber of Commerce rooms and attended to last-minute arrangements.

S. R. Adair, chairman of the ticket sales committee, reports a very good advance sale of season tickets. Mr. Adair calls attention to the fact that single admission for adults for the three evening plays are \$1 each, and that the single admissions will not be placed on sale until 7:30 o'clock the night of such performances, thus giving the season ticket holders ample time to secure the best seats in the New Park theatre. The other two evening shows are 75c each, single admissions. The afternoon performances are 50c each for adults, making a total of \$6.50 worth of amusement which can be secured by investing only \$2 in a season ticket. So it pays big returns to buy the season ticket and also get first chance at a good seat at each performance.

Rev. N. P. Olmsted will introduce many of the Chautauqua performers, having acquired considerable experience last year in the same capacity.

The whole program is a high class one, and considered one of the best ever secured for local performance. You cannot afford to miss it at only 22c a show, by procuring a season ticket.

NOTICE TO DONORS

The recent drive sponsored by the Health Service society for the purpose of raising funds for the Northwestern Hospital was conditional and as the required amount was not secured the money will be returned to the persons who subscribed same.

Mrs. F. M. Kelly and Mrs. E. Gustavson will be at the Commercial State bank this coming Friday afternoon June 25th to refund this money.

All donations of one dollar or over will be returned to the donors upon the presentation of duplicate receipt.

All donations of less than one dollar and all other money not called for at this time or before July 1st 1926 will become the property of the Health Service Society and will be used in carrying out its work in the interest of the sick and needy.

MRS. W. F. DIECKHAUS, Pres. Health Service Society.

This advertisement, for which \$1.80 has been paid, is authorized and paid for by C. Rosenmeier, Little Falls, Minnesota.

To the Voters of Crow Wing County---

May I not, through the columns of this paper because it is impossible for me to address you all personally, express to you my sincere thanks and appreciation for your efforts in my behalf and for the splendid vote you gave me at the primary election. If elected this fall, I shall continue to serve you and safeguard your interests, and the interests of the district, as I have in the past.

Sincerely yours,

C. Rosenmeier

June 22nd, 1926.

Lovely New Frocks From Francine Styles Which Reflect The Last Note in Summer Dresses

These charming dresses which came in today are really as pretty as can be. The effect produced by the two piece style, having a skirt of one shade of beautiful silk and the blouse of large flowered Malingsons "moonglo" is not only stunning but most striking. The colors are so bright and colorful and the contrast of white in combination is certainly beautiful.

Others are all of one shade but the styles are just as fetching and the whole effect most becoming. The quality of silks, the designing, the workmanship is the same as in dresses we have had to ask twice the price for earlier in the season. These lovely dresses are unusual values at \$18.50

"Sandy" We Modern Skirts

The very last word in skirt styles. Bright, pretty colored flannel made into this cute style are certainly good looking.

CO-OPERATION BY FARMERS GROWS

10,533 CO-OPERATIVE AGENCIES
DO BUSINESS OF NEARLY
\$3,000,000,000

St. Paul, June 23.—(UP)—Cooperation by farmers is the fastest growing business in the United States today, Charles W. Holman, Washington, secretary, declared at the summer session of the American Institute of Cooperation at University Farm. There are now 10,533 cooperative agencies whose annual business is nearly \$3,000,000,000 for the benefit of nearly 3,000,000 farmers, he said.

"One of the major purposes of cooperative marketing is to obtain for the farmer a price corresponding to the higher retail price, which consumers are willing to pay for a superior product," Henry C. Taylor, Northwestern university economist, another speaker, said in addressing the school.

There is a field in cooperative marketing for the young worker, other speakers declared, and the advancement will be as rapid as that in the automobile or steel industries during the past few decades.

AMUSEMENTS

Eleanor Boardman and Chas. Ray at
Lyceum in Rex Beach's
"Auction Block"

For a young lady, Eleanor Boardman has had more husbands and suitors than is usually the lot of a nice, respectable girl.

On the screen, that is. And the funny part of it is, that in several of her pictures she has had two or three men pursuing her at a time.

Now in "The Auction Block," which is playing at the Lyceum theatre, Eleanor wins a national beauty contest, and gets Charles Ray in the bargain. Incidentally, Charles cuts out Ernest Gillen, a "home boy," who had in a previous bid.

Bevy of Beauties in "The Devil's Circus"

When you say "the most beautiful girls in Hollywood" you mean beautiful and "nothing else but," because Hollywood, among other things, is recognized all over the world as the abode of the fairest of the fair.

Nearly 100 girls who were selected on just this description form the personnel of the spectacular beauty ballet in the circus sequence of "The Devil's Circus," showing at the Lyceum on Thursday and Friday.

In order to prevent war it becomes the duty of the League of Nations to referee some serious arguments. The need of such service is recognized. American baseball, after a long era of skepticism on the point, has proved that it is possible for a conscientious umpire to be not only respected but popular.

According to an estimate published by the government, Canada has lost \$200,000,000 in customs receipts by smuggling from the United States. How near does that come to balancing what the United States has lost by smuggling from Canada?

Actor and Preacher

Winthrop Ames at the Federal Council of Churches' dinner told a story about a sermon.

"A great actor," he began, "said to a great preacher one Sunday morning:

"Well, sir, your sermon—it was brief."

"I am very glad to hear that," said the preacher. "I was afraid I might have been tedious."

"Oh, but," said the actor, "you were tedious."

Girls Love New Wonderful Powder

You will not have a shiny nose now. A very fine, pure, new French Process Powder is all the rage. Keeps shine away—perspiration hardly affects it. Lines or pores won't show. Looks like natural skin and gives a beautiful complexion. Get a box today. It is called MELLO-GLO.

Johnson's Pharmacy and the Economy Drug Co.

82 Years Old and As Good as a Youngster

"Seven or eight years ago I was a very sick man. Doctors said catarrh trouble of stomach and bowels, affecting the heart and liver. For more than a year I wanted to die, but could not. Upon the advice of a friend I tried MAYR'S, and although 82 years old, I now feel as good as a youngster." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Johnson's Pharmacy and druggists everywhere.

—Adv.

"SOME WILD NOTIONS I HAVE KNOWN"

By the REV. ROY L. SMITH, D. D.
Pastor Simpson M. Church, Minneapolis

"THE WAYS OF GOD ARE PAST FINDING OUT"

God has no secrets.

The Almighty is perfectly willing to explain anything that we are able to understand.

Lord Lister in his laboratory is prying into the secrets of God. Louis Pasteur, with his eye to his microscope, and Charles P. Steinmetz manufacturing artificial lightning are tracing the ways of God. William Herschel peering through his telescope is following the trail of God. Charles Darwin, studying the fossils and the jelly fish is on the search.

No scientist has ever discovered anything that surprised God. No law of psychology, bacteriology, biology or sociology has ever begun operating without the consent of the Almighty. If anything is true, it was true a long time before Man discovered it and it is true because God permitted it and established it.

It is true that no man can know all the ways of God. But every man can know some. The scientist in his laboratory, the musician in his studio, the artist in his attic, the philosopher in his classroom, the theologian in his study—each is finding some of the ways of God. As men grow, more of the ways of God are made plain.

The microscope, the stethoscope, the telescope, the seismograph—all the instruments of science are eyes by which the ways of God are followed.

Laboratories, clinics, experiment stations—these are the whispering galleries of God.

The glory of man is revealed in the number of God's ways he has discovered. The majesty of God is revealed in the number of ways man is still ignorant of.
